

Erasmus+ Programme

Erasmus Mundus Joint Master Degrees

An Erasmus Mundus Joint Master Degree (EMJMD) is a high-level integrated international study programme of 60, 90 or 120 ECTS credits, delivered by an international consortium of higher education institutions (HEI) and - where relevant - other educational and/or non-educational partners with specific expertise and interest in the study areas/professional domains covered by the joint programme.

Its aim is to:

- foster **QUALITY** improvements, **INNOVATION**, **EXCELLENCE** and **INTERNATIONALISATION** in HEIs;
- increase **QUALITY** and **ATTRACTIVENESS** of the European Higher Education Area (EHEA) – supporting EU **EXTERNAL POLICY** in the higher education field, by offering full degree scholarships to the best Master students worldwide;
- improve the level of **COMPETENCES** and **SKILLS** of Master graduates, in particular their relevance for the **LABOUR MARKET**, through an increased involvement of employers.

The study programme must include a mandatory mobility period in at least two different Programme Countries (28 EU Member States + Norway, Iceland, Liechtenstein, the former Yugoslav Republic of Macedonia and Turkey) and its successful completion must lead to the award of either a joint degree or multiple degrees.

EMJMD main principles

- **High selectivity**: only excellent joint Master programmes will be selected and funded;
- Implemented by consortia of **fully recognised HEIs**, in the EU and (where relevant) in Partner Countries;
- **Full scholarships** for the best Master students worldwide with a priority for non-Programme Country students (a minimum of 75 % will be earmarked for students from Partner Countries);
- Support to **invited scholars (/guest lecturers)** contributing to the EMJMD activities;
- **Joint Master degrees** encouraged but not mandatory (double/multiple degrees still eligible);
- Focus on the **socio economic environment, employability** of graduates and **sustainability** prospects of the EMJMD;
- Focus on excellence of selected EMJMD through **strengthened selection** and **monitoring procedure**;
- **Centrally managed** in Brussels by the Education, Audiovisual and Culture Executive Agency (EACEA).

Taking part as an organisation
